

900 MHZ Wireless Entertainment Systems

ENTERTAINMENT

MYE ENTERTAINMENT WIRELESS 900 MHZ/FM

Wireless 900MHz/FM Receivers:

The MYE Entertainment wireless controller/receiver provides audio from any ceiling or wall mounted TV. Users simply select the desired TV channel and enjoy the audio from their favorite TV programs. MYE wireless controllers work in conjunction with MYE wireless transmitters or existing 900MHz wireless transmitters from all major fitness entertainment companies (including Cardio Theater/ Exercise, BroadcastVision, BVE and Audeon).

MYE Wireless 900MHz Dual Diversity TV Transmitters:

MYE TV transmitters feature state-of-the-art wireless technology and a Dual Diversity Antenna System to ensure the reliable static and drift-free transmission every time.
