

Supreme Sound Towers™

Mix 'N Match Components

Build the perfect sound system for your unique needs

The Supreme Sound Tower™ is a complete sound system concept suitable for every aerobics, fitness, dance or physical education facility. We can help you design a sound system with your audio priorities and budget in mind.

Mix 'N Match components from Denon, Rolls, QSC, Samson, SupremeProAudio, Tascam, Teac, Cortex and Odyssey...or select any component from our catalog.

Supreme Sound Towers include rack mount cabinets where components can be securely mounted. The Sound Towers can be easily moved to various locations or rolled into a secure location when necessary.

Our experience makes the difference. Helping you put together customized sound systems is our specialty. And we do this every day. . .more than any other vendor in the industry. There is always someone at the phone or online ready to help you with design needs that will meet your budget.

Speakers are listed separately so that the system may be assembled based on your specific needs. Add or swap audio components as desired. Please call Toll Free at 800-445-7398 to discuss all options.

"Thanks so much for always helping me out. This has been one of the best vendor relationships that I have experienced in my three years of handling all maintenance and operations issues for four clubs. Believe me - this means alot. Thanks for being the best."
- - Sharon Chapman, Director of Operations
Gold's Gym, Columbia, SC

"It was a pleasure speaking with you. Thank You for being so helpful. Your company is always a pleasure to work with."
- - Linda Schugel & Aimee Sprague
Ovations Performing Arts Academy
Waretown, NJ
