QSC GX SERIES - GX3 & GX5 POWER AMPLIFIERS

Big power at Budget prices!

The QSC GX Series amplifiers are ideal for professionals who require maximum performance and portability on a limited budget. QSC has optimized output and appearance while reducing raw material cost and weight. It's all here - dramatic styling, easy hookup and adjustments, excellent audio quality and QSC reliability.

The GX3 is ideal for speakers in the 300 watt (Program) range, while the GX5 provides full performance for 500 watt (Program) speakers. Both models supply maximum possible power to 4 ohm and 8 ohm loads. Power ratings are with both channels driven.

3 year limited warranty
