Evid C8.2 8" Ceiling Speaker

The **EVID C4.2** (80 watt, 6 lbs., 4" speaker) and the **EVID C8.2** (100 watt, 11 lbs., 8" speaker) two way ceiling speaker systems are compact and fit into tight ceiling installations. Both are overload protected. The woofer and waveguide coupled titanium coated dome tweeter give smooth, wide frequency response. The enclosure is ported and tuned to provide surprising bass response in a compact package. Features an easy 3-point mounting system for quick installation. Comes complete with mounting support ring and tile rails. No additional accessories needed for most installations. 8 ohm and 70V/100V input configuration on all speakers. Paintable, white powder-coated steel grilles. Sold in pairs.

5 year limited warranty
