## **SUPREME SOUND TOWER™**

**Mix 'n Match Components**  
**Build the perfect sound system**  
**for your unique needs.**

The Supreme Sound Tower™ is a complete sound system concept suitable for every aerobics, fitness, dance or physical education facility. We've put together the most popular combinations, but you can Mix 'n Match components from Denon, Rolls, QSC, SupremeProAudio and Odyssey...or select other components. We can help you design a sound system with your audio priorities and budget in mind. Look inside starting on page 18 to view your choices!

## **NAVIGATOR™ WIRELESS PORTABLE SOUND SYSTEM**

### **CD and MP3 Player**

A compact, lightweight portable amplifier with 80 watt peak power for great sound wherever you need it. Built-in variable speed pitch control CD player, up to two wireless microphones plus built-in rechargeable batteries. Optional Audio-Link transmitter modules provides wireless connection to Powered Companion Speakers to provide extra coverage for larger venues. 96 switchable channels on all wireless components. All NAVIGATOR™ sound systems include an internal rechargeable battery unit and protective slip cover. Wireless remote control included with CD player. See page 31 for more details.
