Here are some Customer's Responses to our Online Satisfaction Survey and specific Product Reviews...

Package arrived in a timely manner: "Package arrived in a timely period in very good condition. The batteries (Rechargeable Battery Chargers) were as described and work great. Thanks" -- William H.

Works on in-car Bluetooth microphones too: "The (SupremeFit Medium Foam Windscreens) windscreens arrived quickly and in perfect condition. I test fit one on a microphone for an aftermarket radio with Bluetooth capability. I did the same for a second unit. Ambient wind noise is reduced significantly." -- Rich G.

Audio-Technica PRO8 Foam Mic Cover: "Great product" (Audio-Technica PRO8 Factory Original Black Foam Replacement) -- Sam M.

Gym Owner: "Great product and fast delivery! Would recommend!" (SupremeFit Small Foam Windscreens) -- Robert D.

Knowledgeable Staff: "Friendly knowledgeable staff. Easy to work with." (Samson CR77 UHF Receiver) -- Dawn K.

Good: "Very Good! (SupremeFit Medium Foam Windscreens)"

Service: "Supreme Audio has been our go to company for our business. They (SupremeFit Medium Foam Windscreens) are fairly priced and their customer service is great!" -- Billy B.
